

Dear Families,

### **Advanced Notice of Price Increase – The Nest**

We want to get in touch to let you know that as of Monday 19<sup>th</sup> February 2024 we will be raising the price of Breakfast Club and Afterschool Club.

To increase the cost of The Nest is a decision that we have not taken lightly! We've kept our price the same since The Nest opened back in 2020 and it's seen a lot of change since then. We're really proud that we are now able to have many more children on The Nest register because of the building expansion work that we have had done. We have increased staffing capacity so that there are always at least two members of staff available to play with your children and have lots of fun, loads more new toys and equipment and we've made the menu much more exciting with hot options most nights through the winter. Just like everyone else's our costs in the last 12 months have increased a lot, especially the price of food.

We know that we offer one of the best value wrap-around services in the area and will still cost less than lots of other schools but despite our desire to keep costs as low as possible we have had to make the decision to increase the price slightly.

The new prices are as follows:

- **Breakfast Club £4.50**
- **After School Club £8.50**

Please do not hesitate to contact us with any questions you may have. Thank you so much for your continued support and understanding.

Best wishes
