

## Safer Internet Day 2024

Dear Families,

Tomorrow (Tuesday 6<sup>th</sup> February) is Safer Internet Day and we will be joining schools across the UK in celebrating this event.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology which calls upon children, young people, families, teachers, social workers and more to help create a better internet.

Using the internet safely and positively is a key message that we promote at Cambrai and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages that we deliver throughout the year. We take our duty to ensure that our children are safe online seriously. As such, we carefully plan and map learning through our Online Safety, PSHE and Computing curriculums. Details of these are all available on our school website. Our Online Safety Curriculum follows 8 strands; privacy and security, online relationships, health wellbeing and lifestyle, online bullying, online reputation, managing online information, self-image and identity and copyright and ownership.

The theme for this year's Safer Internet Day is 'Inspiring Change' making a difference and managing influences on line. We would be delighted if you could join us in celebrating this event by continuing the conversation at home. To help you with this, you might be interested in downloading the free Safer Internet Day Education pack for families which is available at: [www.saferinternet.org.uk/sid-parents](http://www.saferinternet.org.uk/sid-parents)

If you have any questions or concerns about keeping your child safe online please do get in touch with their class teacher or Miss Robinson.

Yours sincerely,

**Miss L Robinson**  
Head of School

**Mr S Marshall**  
Lead for Computing  
& Online Safety

**Miss R Humphrey**  
Lead for PSHE
