Head of School – Miss L Robinson

“Growing good people –
doing great things”

Dear Families,

As I write this, I'm sat in Mr Dent's office (don't tell him!) looking out onto a sunny Cambrai lunch time, hockey matches in the MUGA and children finally being able to take their coats off to play – could this be Spring? We certainly hope so!

What a busy term we have had – with so many exciting things taking place, so much learning happening and finally our visit from Ofsted! We're absolutely thrilled with the outcome that recognises our school as outstanding in all areas, this is testament to our brilliant team who do what they do every day for your wonderful children.

*'Cambrai is an extraordinary school.'
'Pupils bring to life Cambrai's vision of growing good people, doing great things'
'Pupils behaviour is exceptional. From the youngest age children are kind and caring'*

With this letter you will receive the Summer Term diary dates – keep them safe because there is definitely a lot going on! You should receive an email and paper copy of these dates so that you can cross the events off as we go, I'll keep sending regular reminders on the end of newsletters too.

Small Learning Community

After Easter we welcome Mrs Stewart to Team Cambrai who is our new class teacher in the Small Learning Community. This is a targeted mainstream provision for children who have communication and interaction needs and have an EHC Plan. Mrs Cannings our SENCo will be leading on this new venture. Mrs Stewart will start working really closely with our current teachers and will spend lots of time getting to know all things Cambrai (including all of your lovely children) over the coming weeks. We're so excited for the wealth of expertise and experience that Mrs Stewart will bring to Cambrai and can't wait for her to get started.

Charity work

Each time I write an update on fundraising I comment on how humbled we are by your generosity in donations for charities. This term we have raised £75 for the NSPCC through our Number Day and a massive £380 for Comic Relief! Thank you so much to you all for supporting Mr Marshall and Mr William's leg wax, buying red noses and sponsoring the Cambrai's Got Talent event. The money raised will make such a difference to families in need across the UK.

School Dinner Summer Menu

You can now make your child's school dinner choices for the Summer Term on School Grid. Please don't forget to do this as Mrs Lambert caters for exact numbers based on what School Grid tells us each day. We hope the summer menu will be well received by the children, it's one of our favourites yet!

New Nest Menu

We've listened to the children's preferences and crafted a new snack menu for the evening Nest sessions for after Easter.

Monday	Tuesday	Wednesday	Thursday	Friday
Crumpets with a choice of topping	Cheese & Crackers	Pasta & tomato sauce with cheese	Sandwich selection	Pizza!
Selection of desserts/fruit/yoghurt/biscuits				

Advanced Notice of Nest Closure – we wanted to give you plenty of notice that the Nest will be closed for one evening only on **Friday 10th May**, we hope this gives you enough time to arrange alternative childcare. Breakfast Club will run as usual this day.

The Great Annual Potato Competition!

Wow! What a field of entries – we were so impressed! It made judging the competition very difficult indeed. Congratulations to our winners Isaac, Alice, Ella, Biney and Archie who each won an Usborne Book as a prize.

Don't forget entries close on Friday for the Cambrai Easter Baking Competition and prizes will be given in assembly after the holidays – good luck!

Parents' Away Club

Mrs Young continues to be our school's Service Families Champion. Each week she hosts a 'Parents Away Club' for service children whose parents are working away or due to work away soon. This is on a Wednesday morning, so please encourage your children to attend if you feel it would be of benefit to them. You might have seen the gorgeous garden that they are developing outside of school – it really is a thing of beauty!

Sponsored Reading Challenge

Wow! We already knew our children love to read, but this challenge was incredible!! Thank you all so much for your sponsorship, it has meant we've been able to buy some really gorgeous new books for our school!

We really hope you all have an enjoyable and restful Easter break. We look forward to seeing you all back at school on Monday 8th April.

Miss L Robinson – Head of School
