

# Annual Family Survey

March 2022

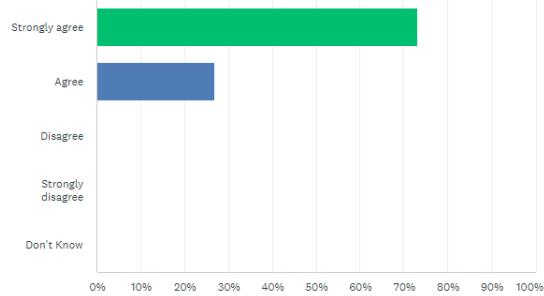

My child is happy at Cambrai Primary School.

Answered: 26 Skipped: 0

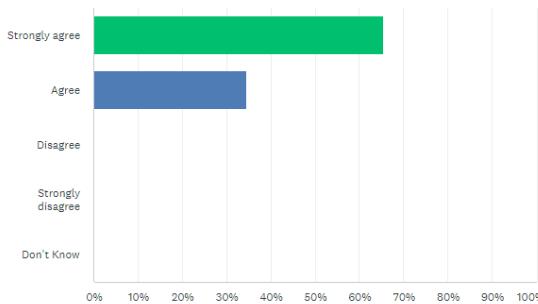

My child feels safe at school.

Answered: 26 Skipped: 0

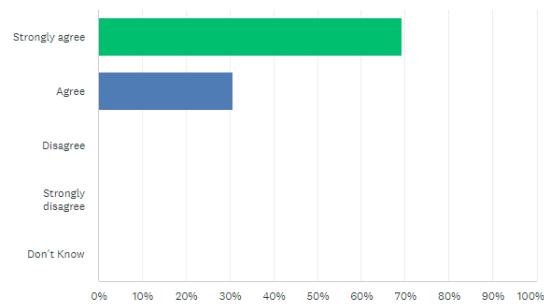

My child makes good progress at school.

Answered: 26 Skipped: 0

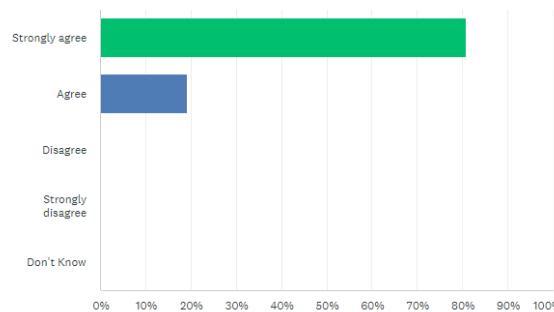

My child is well looked after by staff.

Answered: 26 Skipped: 0

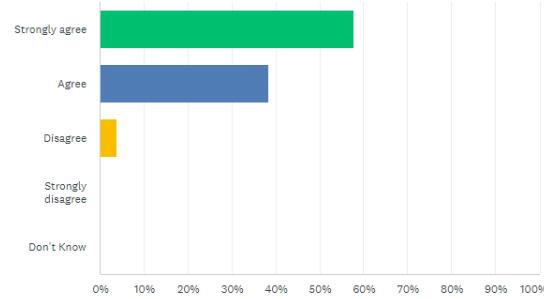

My child is taught well at school.

Answered: 26 Skipped: 0

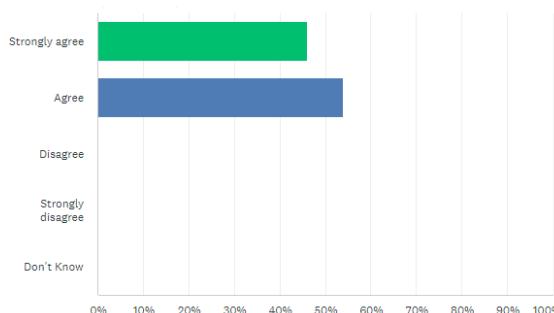

My child reads regularly at home.

Answered: 26 Skipped: 0

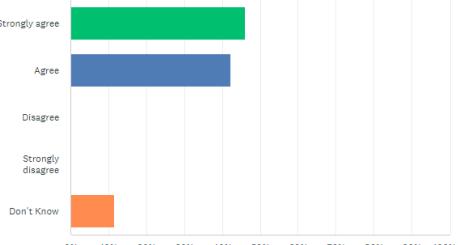

The school makes sure children are well behaved.

Answered: 26 Skipped: 0

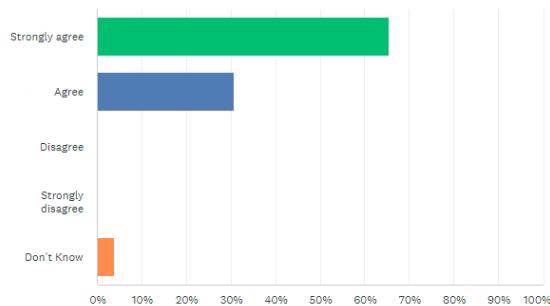

The school deals effectively with bullying, or I trust that it would, if it arose.

Answered: 26 Skipped: 0

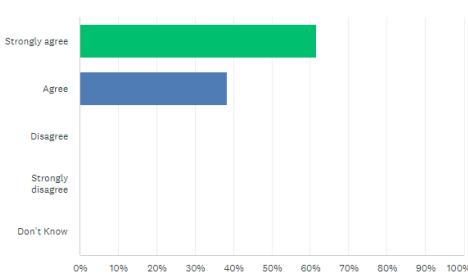

The school is well led and managed.

Answered: 26 Skipped: 0

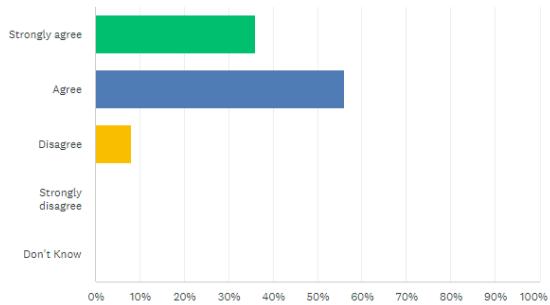

The school responds to any concerns or worries that I raise, or I trust that they would if I had any.

Answered: 26 Skipped: 0

I receive valuable information about my child's progress.

Answered: 25 Skipped: 1

## Below are the responses to what families particularly valued about our school:

**School is fun**, the night time treasure hunt earlier on in the year was excellent. I don't know any other school that does stuff like that.

**You genuinely care** about the children's wellbeing as much as you do about their education  
It is a **happy** environment.

Very easy to communicate with.

I love the outside activities.

Everything, I think it's a wonderful school with **amazing staff and resources**

Ways of teaching, **manners**,

The staff always try and put the children first and **make them feel special**

I am very impressed with how much my son has progressed in his first year at Cambrai for example in his reading, writing, number work and even in his creativity and drawing skills. It is clear to see **how much he has progressed** as an individual.

The school does so many activities with the children to make their days at school enjoyable and to aid their learning. My son **loves going to school** and is excited to tell me each day what he has done.

The one to one feel from the school, like **every child and family matters**. The time and the events that happen at the school to keep it fun

Good at encouraging and teaching **reading and phonics**.

My child is **happy** within the setting.

Pleased XXX is doing well and is happy at school, I feel he is **supported well** and has he's needs supports but I would want to ensure this challenge him regularly and he doesn't use it as an easy option out.

When I raised a concern regarding how my daughter was feeling after another child had treated her it was **dealt with swiftly** and she was coming home much happier which then impacted her

behaviour at home as well. The situation was handled **professionally and timely**.

I think the **whole ethos** of the schools learning is great.

I'm happy with how my **child is developing** particularly with his speech, reading and mathematics

I love how you always **help with home life as well** as school life. For example...doing about different families in school and stuff

The level of teaching given to my daughter - her progression is definitely down to school and teachers/ assistants with how well she is doing. I love the fact parents are shared with so much via newsletters, reports, parents evenings and as well as your **social media page**. I always looked forward to seeing pictures on a Friday of the week.

I think Cambrai is a lovely school. I feel very confident that the school will get the most from my children in the time they are there. They feel **happy and safe**. All the teachers are friendly and approachable and my children are very happy to be in their care.

**Everything!**

The school is amazing. Kind, **nurturing staff** in every job. Brilliant ever improving facilities.

You **respond quickly** and efficiently to help children if they are struggling to reach goals and every single member of staff are lovely.

Communication, the **support** that is in place for children who need it, the facilities and cleanliness of the school and very **approachable friendly staff**

Helping children who are unable to speak properly **you have been amazing** in helping my child and she has progressed so much since starting school

Activities as well as school work children **love and enjoy** both

## What makes Cambrai special to you?

It's a **big family**, everyone is included.

How **supportive** you are

**The happy environment**. It promotes positive learning.

I feel it's **so different from other schools**. Much more modern day, very welcoming and you organise loads of activities for families (which is amazing to be so involved in their school journey). From the beginning we love that you are so outdoorsy, learning practical skills as well as curriculum and focus on reading.

It's **very good school**

The way the staff make the children **feel welcome and special**

**Mrs Cannings**

Cambrai is special to our family because it provides a lovely environment for my son and his peers to learn and grow together. My son enjoys going to school and being with his friends. But also the amount of **attention and effort that goes into their learning** in each topic to make it enjoyable and a fun experience you can really see that this has helped his learning accelerate.

We also love that the school host **regular activities for us to do together as a family** and to share experiences and memories with our son during his time at school.

**The personal feel** they give to each pupil

XXX has **a genuine desire to go to school** and we are happy he is getting a great education

My **child is happy** and has progressed onto the school with lots of friends from nursery.

Kind, caring and **supportive team**. XXX loves school and the nest

Knowing our daughter is progressing with her learning and she is happy everyday, to the point **I can't get her home some days**, makes it special.

My child loves to go to school and I **appreciate the events that are held** such as Halloween stay and play, mothers day party and twilight torch event

The **support we receive is amazing**. Nothing is ever brushed under the carpet. **It's like another family :)**

It's **like a second home** and family to XXX and she is thriving Thankyou

Cambrai feels like **a community**. I know the teachers care deeply about my children and **look after them as if they were their own.**

It's **so welcoming**. The staff know all the parents and children.

The unusual activities (camp fire assembly, charity events, digging / spare parts areas etc) are additional things that are amazing for the children and things they will never forget. **No other school seems to do these kind of additional things.**

The **support our son gets and seeing how happy he is** about going to school, he is constantly talking about Mr Marshall and Mrs Maguire at home and how much he loves school. He would cry going into his old school so to us this school is very special to us.

It's just a beautiful school with lovely teachers and staff, and you've **gone above and beyond** to help my little boy achieve his full potential

## Can you think of any improvements that we could make?

No

No

I find the online **order process for school uniform** particularly poor.

It would be nice to know **more about what the children get up to**, we rely on Friday Facebook for the weekly pictures as we get the classic "didn't do anything" daily.

Encourage **drink breaks** - personally for us, I don't think XXX drinks any of her water during the day so I'm concerned she's not taking in enough fluids.

For bullying (NB: no one felt bullying was an issue so we are not sure what this means?)

I would **like more feedback** about how my child is doing.

A few **more little updates of my son's progress** at school to celebrate his achievements and if there are aspects where he is struggling I can do extra work at home to help him.

**After-school clubs**, I know covid has been on and off but I feel after school activities and clubs would be great.

Communication with parents regarding **child's progress or inventions** put in place for those requiring support. Improvement of attitudes of some staff in regards to SEND children (education needed on their part)

Ensuring all **channel of communication are clear** all on website or on homework portal??? paper letters not ideal for environment plus never seem to find them home to our house? We have missed a number of newsletter and information letters. Speaking to a few parents they also didn't receive them. Red nose day dress own clothes and talent show one the most recent I haven't had.

**More notice** with upcoming events to make it easier to plan for time off work.

Not much information shared in the book that goes between home and school

N/a

None at all

No. Keep doing what you do!

If our children are behind with certain subjects to **specify more clearly on how we can help** you as teachers and our children. For example, written work and explain how us as parents can help reach their goals.

I can't think of any improvements, we think Cambrai school is amazing.

No

## You said, we'll do...

Taking the comments and survey results in to account, we've categorised the suggestions in to the following areas:

**Parental Question / Concern**

**Existing Strengths / Comments**

**Planned Action**

<b>Uniform</b>	This is an external company – and there are very few companies who do grey primary jumpers! We have already moved supplier once.	<ul style="list-style-type: none"> <li>Wait times have dramatically decreased recently – but we will keep an eye on this!</li> </ul>
<b>Drink Breaks</b>	Children always have access to water bottles – we have spares if needed. Children reminded to drink throughout the day.	<ul style="list-style-type: none"> <li>Ask parents to let us know if any child requires additional targeting</li> </ul>
<b>After school clubs</b>	We restarted clubs ASAP when allowed, but had a break this term when COVID rates and staffing shortages meant this was impossible.	<ul style="list-style-type: none"> <li>Clubs re-start fully after Easter – options shared Monday 4<sup>th</sup> April</li> </ul>
<b>Regular updates</b>	We deliberately do not have the online apps to upload daily updates as it takes staff away from the children – when they could be teaching them. Important issues are written in to the home school diaries and all parents have direct teacher email addresses.	<ul style="list-style-type: none"> <li>We will ensure that there is a Facebook update at least every week.</li> </ul>
<b>Clear communication</b>	Some recent whole school newsletters have not been put on the website due to staffing changes. This will be rectified.	<ul style="list-style-type: none"> <li>Whole school newsletters will always be placed on the website and emailed.</li> <li>Class information / consents etc will be in school bags / home-school books.</li> </ul>
<b>SEND / Interventions Updates</b>	Support plan updates shared at support plan reviews – 3x per year	<ul style="list-style-type: none"> <li>For children undertaking national tutoring, an update will be shared at the end of each half term – and what targets are being worked upon.</li> </ul>

## Would you recommend us to another parent?
